## MOSCATO PERLÉ *Odellia*

Light golden in colour with a delicate spritzy character. Light-bodied with surprisingly perfume-like fragrance and hints of muscat aromas. A fruit-forward palate of honeysuckle, green grapes, citrus tones and ripe peach nuances. **100% Muscat d'Alexandrie**

## CHENIN BLANC *Lutwena*

An appealing light straw colour. Light with ripe, rounded fruit. Fresh floral nose and an exciting acid balance.

## CHARDONNAY *Yolanda*

The balance of fresh citrus fruits and rich melon characters give the wine a fullrounded palate that combines well with the subtle creaminess and nuttiness of the gentle oak. The natural acidity follows through to a fresh and clean finish.

## SAUVIGNON BLANC *Vivian*

Fresh, youthful and inviting. This wine is a full-bodied wine with powerful varietal flavours of guava, green apple and freshly cut grass. Good structure with balanced acidity.

## PINOTAGE *Dawn*

A deep purple tint on the rim with delicious flavours of ripe strawberry, banana, juicy plums and rich, red cherry. Produced in an early drinking style with well-integrated wood and a soft, smooth finish.

## MERLOT *June*

Rich, dark red colour with ripe, punchy, plum flavours, sweet black cherry and a velvet finish. Delicate wood does not mask the ripe fruit.

## CABERNET SAUVIGNON *Carol*

Smooth, full-bodied style with rich mulberry, plum and cassis supported by soft tannins. The wine is deep red, smooth with good weight made in a friendly new Cape style with no hard edges.
